

Round Rock Operation Blue Santa History

Operation Blue Santa is a non-profit organization that was established in 1978 for the purpose of providing food and toys to underprivileged Round Rock families at Christmas time.

This program is funded entirely by the Community in the form of generous donations from businesses, schools, and individuals. The work to collect, wrap, and deliver the toys is organized and accomplished by the members of the Round Rock Police and Fire Department and community volunteers. Annually, this program serves more than 1,600 individuals, families, and seniors through the distribution of food cards and toys.

The purpose of this event is to raise money for the 2011 Blue Santa program and assist Round Rock families in need during the holiday season. This program builds and reinforces partnerships among the City Departments, local businesses, community residents and numerous volunteers. It is these partnerships that make the program such a great success!
